Road to Success

FALL

*Set up a calendar for the year. Use the calendar to record test dates and college and career days.

*Create a college file in your Google Drive. Use this to keep your letters of recommendations, college essays, etc.

*Make a testing plan. Register to take the ACT/SAT. Be aware of registration deadlines and testing dates.

*ATHLETES! If you hope to play a sport in college, register online with the NCAA eligibility center.

*If you haven't done so, create an email address that is appropriate and professional.

*Be involved! Colleges like to see resumes of students that are involved in activities.

*Create a Common App account. (Linked at bottom of page.)

*Register with FastWeb to begin searching for scholarships.

*Narrow down your college major choice.

*Register for the ACT/SAT

SPRING

*Plan your senior year. Match your course selections to the entrance requirements of your college choices.

*Consider job shadowing a few professionals working in your dream career. Ask questions, take notes!

*Be sure you are acquiring volunteer hours to obtain scholarships.

*Narrow down your college choices to your top 5.

*Retake the ACT/SAT to obtain required scores for college entry or scholarship opportunities.

*Take virtual or onsite tours of colleges that offer your desired career.
