

FRESHMAN

Road to Success

FALL

- *Make an appointment with your guidance counselor to discuss interests, goals, and career ideas. Start building the foundation to your career.
- *Develop a relationship with your teachers and ask for help when needed
- *Take the PSAT test and do your very best. This test will serve as a great baseline for future college entrance exams.
- *Study and work hard this first semester. These classes will begin your high school GPA.
- *Attend college and career events at your school.
- *Stay focused and organized in your classes.
- *Monitor your GPA to make sure you are on track.

SPRING

- *Continue to work hard in your classes and maintain good grades. Your goal should be a 4.0GPA
- *Begin thinking about what courses you want to take next year and speak with your guidance counselor to make sure your classes will be aligned to your career goals.
- *Be sure to include DE (Dual Enrollment) classes when selecting classes for next school year..
- *End the year in good academic shape.
- *Begin creating a resume.
- *Take the state and EOC Exams seriously. Many of these exams are required for graduation.
- *Research your desired career and seek out and interview an adult that is working in your desired career field.
- *Take virtual or onsite tours of colleges that offer your desired career.

SUCCESS !
