

SOPHOMORE

Road to Success

FALL

*Attend College and Career events whenever they are offered.

*Stay focused and organized with all of your classes. Maintain good grades and prepare for upcoming tests. Get help from teachers early.

*Take the PSAT test and do your very best. This test will serve as a great baseline for future college entrance exams.

*Review your PSAT scores. Use your score report to focus on what you need to improve before taking the SAT/ACT

*Talk to upperclassmen and gain from their experience.

SPRING

*Evaluate your first semester grades and look for ways to improve yourself educationally and personally.

*Talk to parents and guidance counselors to review your educational plan. Change is ok.

*Take the state and EOC Exams seriously. Many of these exams are required for graduation.

*End the year in good academic shape.

*Begin creating a resume and begin composing an essay for potential scholarship opportunities.

*Research your desired career and seek out and interview an adult that is working in your desired career field.

*Take virtual or onsite tours of colleges that offer your desired career.

SUCCESS !
