

# JUNIOR

## Road to Success

---

### FALL

\*Set up a calendar for the year. Use the calendar to record test dates and college and career days.

\*Attend career days that are offered here at school. Many local businesses have jobs available right after graduation.

\*Get in the habit of checking your email each day.

\*If you haven't met the reading or math requirements for graduation, make sure you show up for testing when it is offered.

\*Join a club organization you are interested in.

\*Register for the ACT/SAT

\*Register with FastWeb to begin searching for scholarships.

### SPRING

\*Plan your senior year. Match your course selections to the entrance requirements of your college choices.

\*Consider job shadowing a few professionals working in your dream career. Ask questions, take notes!

\*Be sure you are acquiring volunteer hours to obtain scholarships if you are considering applying.

\*Retake the ACT/SAT to obtain required scores for graduation requirements or scholarship opportunities.
